30.—David S. A ship broker, son B. Thomas, the American company, told the negotiating committee that the Pennsylvania agent, Dolph Segal, then turned the matter to Mr. Thomas, who was under a duty to restrain the absorption of the concern by 1933.

Falls to Remember.
"Did Frazier ever say to you that if these letters should fall into the government's hands it might be evidence to establish conspiracy in restraint of trade?" asked Chairman Hardwick.

"Mr. Frazier appeared very much excited, but I don't remember that he said anything like that."

Mr. Stetson said Earle was the only man who made anything out of the deal.

"Earle," he added, "wouldn't do anything unless he was well paid for it. He makes me tired!"

Helped His Kinman.
Mr. Stetson said he did not receive a cent for turning over the letters, and that "Mr. Frazier was not that kind of a man." He said that he did not regard them as incriminating, and he turned them over to help Mr. Thomas in his defense because he was his kinman.

"Segal did Earle up pretty well," said Stetson. "For rather than Philadelphia Real Estate Trust Company, that shaviny shop company may be all right now. At least Earle says he has rehabilitated it."

The witness' characterization of the trust company provoked a facetious suggestion of Representative Madison that he didn't know Mr. Earle was a "barber."

Defends Theodore Roosevelt.
Washington, D. C., June 30.—Theodore Roosevelt, who said he conducted his negotiations, is a cousin of Stetson. Mr. Thomas is now under indictment in connection with the acquisition of the Pennsylvania Sugar Company in 1903 through Gustav Kif- sell. Mr. Stetson criticized George H. Earle, Jr., and Chairman Hardwick cautioned him against personalities.

"A man who attacked Theodore Roosevelt as he did yesterday," said Stetson, "should not go uncriticized. I am a friend of Mr. Roosevelt."

In executive session the committee decided that upon adjournment to-day the hearing would be postponed until Monday, July 10.

GOOD SHOWING MADE BY BANKS
Washington, D. C., June 30.—The total reserve held by 1,277 national banks at the close of business on June 7, the last call by the Comptroller of the Currency, was \$1,478,140,795, an average of 22.10 per cent, and \$121,000,000 in the shape of high-grade bonds, which is the amount required to be held by law. The percentage in the central reserve cities has increased to 27.37 per cent.

Compared with their condition on June 30, 1910, all the national banks show an increase of \$486,423,977 in their total resources, \$180,679,600 in loans and discounts and \$190,774,844 in individual deposits. The only decreases in any items are in United States government deposits and rediscounts, but these are slight.

In comparison with their condition on March 7, 1911, the date of the previous call, the combined banks show increases of \$52,759,736 in loans and discounts, \$48,294,481 in cash and \$172,387,065 in deposits.

PROHIBITION LAW GOES INTO EFFECT
Charlotte, N. C., June 30.—To-morrow North Carolina legally will be the driest State in the Union. At midnight the State-wide prohibition law, putting out of business the "near-beer" saloons and prohibiting the dispensing of beer by social clubs, went into effect and to-morrow the thirsty can find no lawful means of satisfying their want save by means of a doctor's prescription and at a drug store. State-wide prohibition went into effect more than three years ago, but the statute contained a loophole in the shape of high-priced licenses to dealers in near-beer. These have flourished in every city, town and hamlet, most of them dispensing the real article, and many doing a blind tiger business as well. The new law effectively puts on the lid and nails it down.

MOTION TO QUASH TO BE MADE TO-DAY

Will Be Resisted by Defendants, and Interesting Discussion Expected to Follow.

PLANS FOR BIG BUILDING

Report to Battlefield Park Association Approved—Other Petersburg News.

Times-Dispatch Bureau, 103 North Sycamore Street, Petersburg, Va. June 30.
An interesting discussion is expected to follow the motion of the Commonwealth's Attorney in the Hustings Court to-morrow morning, to quash the indictments returned by the grand jury against Charles Hall Davis and Carter R. Bishop. The motion will be objected to by the defendants, and counsel will be heard at length. The Commonwealth will retain the ten indictments returned this week on which to go to trial.

Plans for Skyscraper.
The board of officers of the Benevolent Mechanic Association, at a meeting last night, considered matters relative to the proposed new seven-story building, to be erected at the corner of Sycamore and Tabb Streets, on the site of the association's present building. Nothing was given out by the members of the board, but it is understood some definite announcement will be made within the next several days. Some slight changes in the specifications are to be made. The architect of the building is John K. Peebles, of Norfolk, and the contractor is J. W. Davis, of Newport News. The estimated cost of the structure is \$125,000 and the money has all been secured by the Equitable Co. of New York, loaning \$75,000, and \$50,000 being taken in Petersburg.

The Battlefield Park.
The Battlefield Park Association, at a meeting held last evening, unanimously approved the report of the committee on the boundary lines of the proposed National Battlefield Park. The substance of this report has heretofore been published. The park begins at the Appomattox and takes the Federal and Confederate lines southward to and including Forts Sedgwick and Mahone. Within the lines are some of the most famous and historic forts and localities attaching to the siege of Petersburg. The association instructed the committee on publicity to begin the work of preparation of the historical and descriptive pamphlet, to be published and circulated among the Grand Army posts of the country, to secure their aid in the establishment of the park.

Pythian Election.
Naomi Lodge, No. 36, Knights of Pythias, at its meeting last night, elected officers for the ensuing term, as follows: Chancellor, Commander, A. J. Saunders; Vice-Chancellor, J. V. Norton; Master of Work, W. I. Whearty; Inner Guard, S. A. Jordan; Outer Guard, G. B. Williams; Correspondent, W. E. Eanes. The master of Finance, keeper of records and seal and master of exchequer were elected at the beginning of the year for an annual term. The office of correspondent is a new one in the order. It is designed to give publicity to matters of interest in connection with the order.

Funeral of Mr. Robinson.
The funeral of Herman M. Robinson, who died in Norfolk yesterday of injuries received in an accident, took place from Old Blandford Church at noon to-day. Mr. Robinson was twenty-four years old, a former citizen of Ettrick, where his parents and brothers and sisters now live, and had been for several years employed as electrician by the Virginia Railway in Norfolk. The body was accompanied from Norfolk by a large number of friends and was met at the station here by many friends, including Woodmen of the World, of which order deceased was a member. Deceased is survived by his wife, a young Petersburg woman, to whom he had been married but a few months.

William Henderson (colored), about twenty-seven years old, was drowned in Swift Creek, in Chesterfield county, yesterday afternoon, and his body was recovered last night and brought to this city. Henderson had chaperoned several boys to the creek to bathe. It is supposed that while swimming he was seized with cramp and sank.

Barry Injured in Runaway.
Joseph Jerebak, a Bohemian farmer of Prince George county, was seriously injured in a runaway accident on Halifax Street this afternoon. His mules, hitched to a wagon loaded with fertilizer, became frightened and ran away. Mr. Jerebak was thrown and was run over by the wagon. He sustained a fracture of ribs and internal injuries, and was taken to the hospital.

Mysteriously Killed.
Late last night John Clarke, a resident of Norfolk, was killed.

Remarkable Christmas Present
Among the curious Christmas presents of this year will be one to a member of national reputation, which has been all year in the making.

May last January the present was decided upon, and a friend of the prominent gentleman requested the Burrelle Press Clipping Bureau, of New York, to watch every paper in America and to take up every item which appeared concerning the man.

The clipping bureau people followed instructions, and now present the history of one year in the life of this special man.

The history ends just after election, and the 26,612 newspaper items found include everything from a three-line editorial mention to full-page illustrated stories. These have been mounted on 3,200 great sheets of Irish linen paper and bound into three massive volumes.

At the head of each item is the name and date of paper clipped from, and information having been put in with a book typewriter. The words thus inserted amount to 153,252.

dent of Blandford, while returning to his home from the city, was rocked by some party of parties unknown. One of the rocks struck and broke his arm.

Marriage Announcement.
Mr. and Mrs. A. B. Southall, of Weldon, N. C., have announced the marriage of their daughter, Naomi Virginia, to Henry Botell Fraser, which occurred Thursday evening, June 29, in Norfolk. The bride is well and most favorably known in Petersburg.

After Petersburg Players.
It is rumored on apparently good authority that the management of the Detroit Club is after Hamilton, the strapping Petersburg pitcher, and that another club is after Kellher, our first baseman. Strong efforts, it is said, are being made to get both of these players, who have made a high record for good work.

Juniors Elect Officers.
Washington Council, No. 17, Jr. O. U. A. M., last night elected the following officers: Councilor, W. W. Elder; Vice-Councilor, J. C. Harwell; Recording Secretary, Thomas E. Ivey; Assistant Recording Secretary, Hunter Young; Financial Secretary, D. M. Collier; Treasurer, L. S. Magee; Conductor, C. C. Hudson; Warden, W. A. King; Inside Sentinel, J. W. Cook; Outside Sentinel, J. P. Cokes; Trustee, Thomas B. Ivey; State Council Representative, E. O. Tammage; Alternate, C. B. Magee.

Personal and Otherwise.
Mr. and Mrs. Charles D. Smith have returned from their bridal trip. Dr. John Rochester Booth, son of Mr. and Mrs. B. D. Booth, of this city, a recent graduate with honors of the Johns Hopkins University, Baltimore, will to-morrow enter Bellevue Hospital, New York, as an interne for a term of two years.

The \$10,000 damage suit of Robert Newsom's administration, against the Petersburg Telephone Company and the Virginia Railway and Power Company engaged the attention of the Hustings Court throughout to-day. The infant daughter of Mr. and Mrs. Allie Friend, of this city, is ill at Virginia Beach.

Rev. S. C. Hatcher, D. D., and family, of Richmond, are visiting at the home of the Rev. George E. Booker, D. D., on Washington Street.

The work of dredging the harbor will be begun on Monday, a large steam dredge being now on its way here from Norfolk for that purpose.

ANOTHER DENIAL IS ADDED TO LIST
(Continued From First Page.)
that he was not in Chicago until March.

There was a long cross-examination regarding the Union League conversation in 1905, at which Mr. Funk charged that Mr. Hines asked him to contribute \$10,000 to a \$100,000 Lordimer election fund, and at which he (Mr. Hines) said Mr. Funk asked for the privilege of contributing to Mr. Lordimer's election fund.

The witness described minutely how Mr. Funk took hold of Hines's elbow, maintaining that position three-fourths of the way to the door.

"Did any of these gentlemen, Senator Aldrich, Senator Penrose, Mr. Lorimer, etc., ever touch you on the elbow?" asked the attorney.

"Not that I recall."

"How do you happen to remember so distinctly that Mr. Funk did, then?" "Because I have gone over the occurrence very carefully in my mind."

Denial From the White House.
Mr. Hines's testimony yesterday indicating that President Taft had expressed a preference for Mr. Lorimer brought forth the following statement from the White House:

"The fact with reference to President Taft's relations to Senator Lorimer's election is this:

"That during the tariff fight gentlemen came to him and expressed their interest in passing the tariff bill, and said that it had been suggested from Illinois that it would be wise for the President to express an opinion in favor of the election of Mr. Lorimer. He did not know Mr. Lorimer well, although he knew that he was an influential member of Congress, but he did know Senator Hopkins. He knew very little about Illinois politics, but expressed a desire that there should be two Republican Senators from Illinois. But when asked to put that in the form of a telegram urging the election of Mr. Lorimer, he declined to do so."

The statement by Mr. Hines that the President was anxious for and was urging the election of Mr. Lorimer is wholly unfounded."

Louthan, who had been deputy collector for this section of Virginia during the past two years, this morning was notified of his transfer to the similar office maintained in Staunton, by the internal revenue service, which he is to be in charge of in the future. [Special to The Times-Dispatch.]

WHISKEY STOCK MAY BE SEIZED

Big Distillery, Rectifying Plant and Warehouse in Hands of Revenue Officers.

(Special to The Times-Dispatch.)
Bristol, Va., June 30.—The big corn whiskey distillery of E. Gouge & Co. here, together with the company's rectifying house and 10,000 gallons of whiskey stored in its warehouse, are in the hands of revenue officers, pending action of the department upon alleged violation of the internal revenue laws.

Deputy Collectors Bowers and Pierce, who are in charge, will not give out any details regarding the case. It is intimated that the company's entire stock may be subject to seizure.

It is said the plant has been under suspicion for many months, and that the officers have in charge a package of whiskey which it is alleged had been removed from the distillery without the proper stamp. The company is unable to fill any orders.

Building Inspector in Court.
Building Inspector Beck was discharged in Police Court yesterday morning on a charge preferred by City Engineer Bolling over a question of authority. It seems that the Building Inspector permitted the Fuller Construction Company to remove a hitch-post at Tenth and Capitol Streets, permission having first been denied by the City Engineer. The latter had the Construction Company hauled to court, but Mr. Beck took all the responsibility. Mr. Bolling did not desire to prosecute a charge, and the case was dismissed.

SIX CAPTAINS QUIT SERVICE
Situation Thereby Is Made Much Easier for Naval "Plucking" Board.

Washington, June 30.—Much to the gratification of the "plucking" board of the Navy Department, the following six captains voluntarily retired from active service to-day:

Burns T. Walling, of Ohio, commanding of San Juan naval station; James C. Gilmore, of Arizona, commanding the armored cruiser Maryland; John M. Orchard, of Missouri, commanding the West Virginia; Thomas D. Griffin, of Virginia, captain of the Mare Island navy yard; Ben W. Hodges, of Mississippi, now on sick leave.

Edward Lloyd, of Maryland, commanding the Vabash.

These retirements make a total of twenty-six vacancies in the line of the navy above the rank of lieutenant, grade, during the fiscal year ending to-day, while the law requires fifty vacancies to provide for promotion.

CARROLL PRIZES HISTORIC PAPER
(Special to The Times-Dispatch.)
Lynchburg, Va., June 30.—R. Layman Carroll, who owns one of the largest and best collections of curios in this part of the State, has in his collection the original of General Robinson's original farewell address to his troops, which was delivered at Appomattox at the close of the war.

The document is written on blue paper, which was known at that time as "Yankee paper," and it is wholly in the handwriting of General Lee. Mr. Carroll says there is not the slightest doubt but that this is General Lee's original farewell, for it was given by that military genius to the late Dr. Gray Latham, of this city, who presented it years ago to the late John C. Carroll, Sr., who before his death gave it to his son, its present owner.

Mr. Carroll would not part with this relic for anything, and he even refuses to permit it to be photographed for publication.

Transferred to Staunton.
(Special to The Times-Dispatch.)
Lynchburg, Va., June 30.—Captain Carter M. Louthan, who had been deputy collector for this section of Virginia during the past two years, this morning was notified of his transfer to the similar office maintained in Staunton, by the internal revenue service, which he is to be in charge of in the future. Captain Louthan is to take charge of the Staunton office Saturday morning.
